Tuition Express, part of our ProCare Software management system, will allow us to process tuition and fee payments safely, quickly and efficiently.

Once enrolled in Tuition Express, your tuition and fee payments will be paid automatically and on a weekly basis. You will still receive your weekly statements via email.

Your personal account information is safe with Tuition Express – safer, in fact, than paying by check. Automated payments have proven safer than writing checks and eliminate potential check fraud or identity theft.

Please look over the attached *Frequently Asked Questions*. There you will find answers to questions you may have about Tuition Express or automated payments in general. If you have further questions, don't hesitate to ask.

By completing the enclosed Tuition Express enrollment form, you will help us take a gigantic step forward in our payment processing – a step that will allow us to spend more time with your children and less time processing payments and making trips to the bank.

Tuition Express is convenient for you, efficient for us, but best for your children. Welcome Aboard!

Sincerely,

Anna Axe

Frequently Asked Questions by Parents

We are excited to offer automatic payments through Tuition Express. With this service it is no longer necessary for you to write a check for tuition and fees. Payments will be automatically debited from your bank account or charged to your credit card. All payments are secure and you can even choose to have a receipt emailed to you after each transaction. It's easy to sign up—just ask your child care provider.

When I pay my tuition automatically, how secure is my account information?

Very secure—more secure than when you write checks. The checks you write every day have your name, address, phone number, and sometimes your driver's license number on them. With this information, criminals have all they need to access your account, or worse, steal your identity. Automatic payments greatly reduce this potential by limiting the amount of information available and the number of people who have access to it. Tuition Express also incorporates additional security procedures, utilizing 128-bit encryption.

What if the child care provider makes a mistake and takes out too much money?

Report the error immediately—it was likely an honest mistake. The child care provider will adjust your account accordingly.

What if my child care center and I disagree about a payment?

If you feel that the payment should not have been made, you have the right to dispute the charge. Contact your bank or credit card company. Tuition Express and your child care provider will work closely to resolve the issue in a timely manner.

Does this form of payment give the child care center access to my account?

Nobody at the child care center has access to your account. When you sign up for Tuition Express, you only authorize your bank or credit card company to release the exact amount owed to your provider, when it is due and payable.

How will I know when a payment is taken out of my account?

Payments will be taken out of your account on a schedule that you and the child care provider agree upon. Your provider has the ability to email (or print) statements for your records prior to the withdrawal of any money. Additionally, charges will show up on your monthly statement under "Tuition Express".

When I sign up for Tuition Express, how will this help my child care provider?

Your child care provider has chosen to offer automatic payments for several reasons. First, it will give you the convenience of not having to write a check every time tuition and fees are due. Second, it allows regular scheduling of your payments. Third and most importantly, automatic payments reduce the amount of time your child care provider spends on administrative tasks, giving staff more time to spend with the children.

How do I get started?

Simply complete the "Payment Authorization" form and return it to your child care provider. They will do the rest!
