

Toddler Tech Child Care

April 2017 News

Our celebration of "The Great Outdoors" begins in April, when our curriculum focuses on tiny creatures, things with wings, and the wonderful works of Eric Carle. Of course, we'll also make time to tiptoe through the tulips, chase the butterflies, and enjoy lots of outdoor fun!

Spring is here hopefully this means more opportunities for outside play please send your child with appropriate outside attire!

Soccer Shots will offer a free demo class for all children 2 1/2 to 5 on Tuesday April 4th.

We will celebrate the Week of The Young Child, sponsored by the National Association for the Education of Young Children, (NAEYC) celebrating early learning, young children, their teachers and families.

I will be out of the office from April 13th through April 21st. Have a wonderful month!

Happy Birthday!

School Age Program

Toddler Tech offers a Summer Day Camp program for students in kindergarten – 6th grades. Field trips, swimming, crafts, recreational activities and enrichment programs are provided. We also invite our school age children to join us for days off school as well as school vacations. Spring Break (April 14—21st) is fast approaching. **Registration Forms are due by Friday March 31st.** A reminder the school age students will be attending a field trip to Chick Fil – A on Thursday April 20th! Advance registration is required!

Welcome
