

Toddler Tech News December 2017

What a magical time of the year ! Our December curriculum spotlights holiday celebrations and traditions, which is what the holidays are all about! We encourage families to share their own traditions with us. Let your child's teacher know if there is a special song, story, recipe, or activity you'd like to share.

The staff have planned a **Parent's Night Out for Friday December 8th** to help raise money to support our **bookkeeper Miss Gerri** our bookkeeper who has been battling Pancreatic Cancer for over two years.

December will be filled with fun family events and festivities to celebrate the season. Please join us for our **Holiday Open House on Thursday December 14th from 5:00 -7:00**

Thank you to the many grandparents who joined us for Grandparent's Day, we had a great turn out, and a great time was had by all!!

A reminder we will continue to take the children outside as studies have shown that fresh air promotes healthy bodies! Please make sure your child has the appropriate attire for outside play (coat, hat, mitten etc.)

We look forward to ringing in the New Year with you and your family! Have a wonderful Holiday Season; take time to make some magical memories, in the blink of eye they 'll all be all grown!

Welcome
