

Toddler Tech Parent News

Love is in the air, you'll feel it the minute you walk in the door. February's curriculum is bursting with plenty of art, music and movement! Our Valentines Party is scheduled for Wednesday February 14th. Your child's teacher will post information about classroom activities.

We will celebrate Dental Health Month with a guest speaker on Thursday February 15th at 10:00 a.m. February is also National Music Month. The Sunshine Bell Choir will share their musical talents with all of our children on Thursday February 22nd. If you have any musical talents you would like to share with us, please stop by the office, we would appreciate it very much!

Last month the teachers completed Winter Assessments, you will have the opportunity to review these assessments in the next week.

With the Cold/Flu season upon us; we encourage everyone to review our Communicable Disease Policy. As stated in our policy if your child is exhibiting signs of illness they need to be excluded from school. If they get sick during the day we will contact you to them pick up. While we understand it can be difficult to leave work, we encourage all families to have a back up plan as it is inevitable that they will get sick at some point.

A reminder that all children need to wash their hands when they enter the building each day. Staff and children will also follow handwashing guidelines throughout the day. We all need to do our part, to keep our children/staff healthy.

Ja'Meer B.
Jayvon B
Ezra E
Cora E
Joshua Z

Happy Birthday!

Chezni (1)
Kayce M (2)
Ezekiel (5)

We have been blessed with many warm days which have allowed us many opportunities for outside play. Outside play is beneficial to optimal health. A reminder to dress your child appropriately for outside play. ODJFS guidelines states that any child who is healthy to attend school must go outside.
