

Toddler Tech Child Care

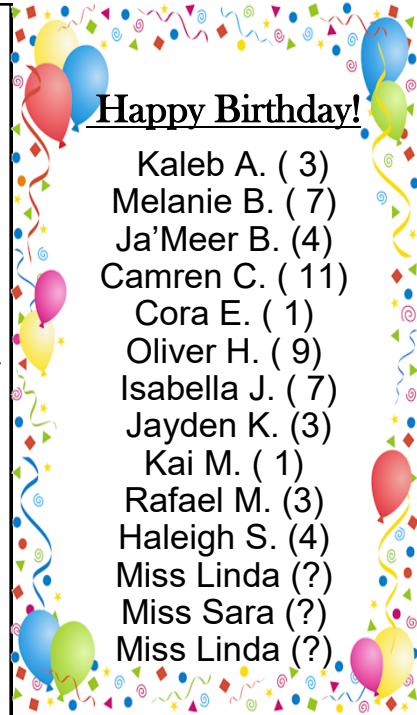

April 2018 News

Our celebration of “The Great Outdoors” begins in April, when our curriculum focuses on tiny creatures, things with wings, and the wonderful works of Eric Carle. Of course, we’ll also make time to tiptoe through the tulips, chase the butterflies, and enjoy lots of outdoor fun!

Spring is here hopefully this means more opportunities for outside play. please send your child with appropriate outside attire! We recommend layering your child’s clothing as mornings can still be quite brisk and temperature warms up throughout the day.

We recently had our Annual Step Up to Quality Review. Congratulations to all of our staff who work hard all throughout the year to maintain our 4 STAR rating!

Next month we will offer Parent Teacher Conferences, sign up sheets will be posted in your child’s classroom . I will be out of the office from April 3rd through April 10th . Have a wonderful month!

Happy Birthday!

- Kaleb A. (3)
- Melanie B. (7)
- Ja’Meer B. (4)
- Camren C. (11)
- Cora E. (1)
- Oliver H. (9)
- Isabella J. (7)
- Jayden K. (3)
- Kai M. (1)
- Rafael M. (3)

Welcome

Welcome to Miss Colette who has joined our team as my new office administrative assistant. Please stop by the office to introduce yourself and give her a warm welcome !

Summer School Age Program

Toddler Tech offers a Summer Day Camp program for students in kindergarten – 6th grades. Field trips, swimming, crafts, recreational activities and enrichment programs are provided. Summer Session begins Monday June 4th through Friday August 17th . More information will be set home next month ! **Registration Forms** are due by **March 31st.**
