

# Toddler Tech May Newsletter

May 2020

With the arrival of May, we are optimistic that we will all be back together soon. We are anxious to return, but await the approval of our Governor and the Ohio Child Care Licensing agency. We have been working on our plans for re-opening. We want to do our best to keep our staff, children and families safe. We plan to hold an "Open House" for families to come by before their child's return. This will allow you the opportunity to discuss changes in your child's schedule for their teacher as well as drop off supplies (change of outfit, diapers etc).

We hope that you have enjoyed connecting with us through Facebook. It is so meaningful for us to see our "little friends". Please continue to post videos and photos. We hope to also continue to support you at home, please feel free to reach out to us anytime! This week is typically one of the busiest weeks of the year with Mothers Day and Teacher Appreciation Week. The Staff have prepared take home Mother's Day Kits. We hope you take the opportunity to pick one up from the center. Everyone who participates will be entered into a drawing for a special Mothers Day Raffle.

To honor our staff during Teacher Appreciation Week we encourage you to post a message on our FB page or send to us through REMIND and we will share. Let them know how much you appreciate them. Have a Wonderful Mothers Day! We hope you can all relax, spend time with family from a safe distance.

## May Birthday

- Aijia (1)
- Tucker (2)
- Layan (3)
- Tanner (4)
- Dylan (4)
- Ely (4)
- Rivers (4)
- Addison (5)
- Evelyn (5)
- Lorenzo (7)
- Thoralynn (7)
- Miss Rose(?)
- Mr. Scott (?)

## Summer Camp

**Our Summer Camp Program (for children who have completed Kindergarten through 6th Grade) will open immediately with the re-opening of the center. Although things may look a little different, we are working on plans that allow us to take field trips to safe places in our community. Your child's health and safety is always our #1 priority. In the event that public pools do not open, we will provide age appropriate water play on site. In addition, we are planning guest visitors, on site programs and theme days to assure a fun filled summer for your school ageder. It looks like class sizes and ratios will be smaller, so I anticipate Summer Camp filling up quickly so please responds ASAP once you receive enrollment information. If you have questions or thoughts regarding the safety of our summer camp program, please contact us at your convenience!**

## Pre-K Graduation

We are planning a special Virtual Graduation for our Preschool students who are headed off to Kindergarten. Please send a baby-photo (under 1 year) and a recent photo of your child to Miss Julie
