September 2020

From the Office.....

I can't believe that our summer is already coming to an end.– it really went by fast! We stayed cool on our many hot days. The new splash pad was definitely a big hit this summer. We will continue to take the children outdoors 2x's daily.

As we begin the new school year, we are working hard to come up with more ways to stay connected with you. Please know we can arrange for you to meet with your child's teacher when needed. Also, if you would like to talk with a teacher on the telephone, that can be arranged through the office.

Welcome to the new school year and Preschool which begins on Monday, August 31st. With the start of Preschool, we ask all families to have your child at the center by 9:00 A.M. so that they can benefit from the educational activities each day. Also, please remember to notify the center office through Remind or by phone when your child is going to be absent.

September will be a fun-filled month with plenty of fall related activities. We will also be getting to know our new friends and learning new classroom rules. Remember the monthly calendar of activities is available on Life Cubby. Have a great month!

To comply with COVID guidelines we would like to offer a virtual meeting via ZOOM. Meeting is scheduled for Monday, September 14th at 6:45 p.m. You will receive an invite to join the meeting !!

COVID UPDATES:

All adults and children over the age of 5 or School Age must wear a mask when inside the building. We continue to make changes in the classroom, to further protect your children. Each child in P/S has been assigned their own individual class pack with school supplies. In addition, many classrooms have made up individual sensory kits for each child. Thank you for your cooperation as we continue to work hard to keep everyone safe. We do our best, to be available during P/U or D/O to assist you. If you do not see anyone in the front, please ring the bell.
