

# Toddler Tech Child Care

October 2020

## October 2020

Though we say goodbye to summer, we welcome in a new season of fun and learning at Toddler Tech! We will continue to get the children outdoors to discover the fall changes taking place. **October is National Fire Safety Month** we are working on some virtual activities since the Fire Station cannot visit. Parent Teacher Conferences will begin on October 12th- info about sign up will be sent home soon. During your conference your child's teacher will discuss goals and share your child's most recent classroom assessment.

We will end the month with our annual Halloween Parade on Friday **October 30th**. Unfortunately **due to COVID** parents **will have to watch the parade on our Private FB Page (if you are not part of this page please send a request to Toddler Tech Family Group)** Our classroom Harvest Party is in the morning on Oct 30th. Your child's teacher will send more details in the next week! Have a great month!
