

Toddler Tech Parent News

Love is in the air, the classroom will soon be bursting with the sights and sounds of Valentines Day. February's curriculum is bursting with plenty of art, music and movement! Our Valentines Party is scheduled for Friday February 12th. Your child's teacher will share information about classroom activities with you through Life Cubby.

We will celebrate Dental Health Month with a special activity on February 17th. Drs. Howard, Nicholas and Baburek will drop off Dental Health Care Kits. We will celebrate National Music Month by exposing the children to many different genres of music including musical instruments. If you have any musical talents you would like to share with us, via ZOOM please stop by the office to schedule!

With the Lucas County still experiencing high numbers of COVID, we ask that parents monitor children closely. Children typically experience very mild symptoms including but not limited to:

Body aches/head ache

Low grade Temp

Sinus congestion/cold symptoms

Nausea/Vomiting/Diarrhea

Coughing/breathing issues

If your child exhibits any of these symptoms please contact the center and keep them at home to closely monitor. We will continue mask wearing, social distancing, rigorous handwashing. And cleaning of toys equipment each day.

February Calendar

National Music Month

In celebration of Music month we would love it if any parents or family members could share their musical talents with us! Via Zoom Please contact the office !

Winter Assessments

The staff are working on Winter Assessments. Your child's teacher will contact you to let you know if a conference is necessary. Otherwise you will receive a copy of this assessment.
