

Toddler Tech Child Care

August 2022

I can't believe our summer program will be coming to an end and the start of the new school year is upon us! We had a great summer with many fun field trips and theme days. Thank you to our amazing parents who helped out with our field trip to Plummer Pool. We had perfect weather and the children were excellent. I was so proud of their behavior.

We'll start off August with TWINS DAY, on Tuesday August 2, 2022. We encourage everyone to buddy up and dress like twins. On August 11th our Summer Camp Students will put on a Carnival for the younger students. No money is needed we will pass out tickets to the students to use for the games.

Summer Camp will officially end on Friday August 12th. Information to secure a space for Transition Week was sent out on Friday. Please be sure to let us know by Friday July 31st.

August is transition time for many. Sadly we will say goodbye to many of our school age and pre-school students. We are so proud of all of our student and wish you all best wishes in school! We hope to see you all next Summer!! Have a great month and enjoy this last full month of Summer!

REMINDERS

Please call or text (via REMIND) to let us know when your child will not attend on a scheduled day. We worry about the safety and whereabouts of our children when they are absent or do not arrive at their normal time.

Welcome
