

Toddler Tech News December 2023

We are all excited to celebrate this “magical” time of the year with your family. Our December curriculum spotlights holiday celebrations and traditions. We encourage families to let your child’s teacher know if there is a special tradition; song, story, recipe, or activity you would like to share with their classroom.

We are excited to share time with our families at our **Annual Holiday Open House on Tuesday, December 5th from 4:00 to 5:30p.m.** Please plan to spend some time in the classroom when you pick up your child. to enjoy some children’s activities and a visit from Santa. Make sure to sign the list in the lobby as Santa will have a personalized letter for your child.

We will continue to take the children outside for outdoor play. Our licensing regulations require outdoor play when applicable, as well as studies have shown that fresh air promotes healthy bodies! Please make sure your child has the appropriate attire for outside play (coat, hat, mittens etc. and snow boots when necessary). Have a wonderful Holiday Season !

The following
Visit with Santa
Children’s Activity

Night out for Natalie

Please support our fundraiser for the Neiss Family. Natalie from our Infant 1 classroom was diagnosed with Leukemia in early October. Natalie is currently undergoing a medical plan that includes a minimum of 2 years of chemo in addition to weekly medical tests and procedures. If you are unable to support the “Night Out” the family appreciates your prayers or intentions for continued healing and strength.

HOLIDAY SCHEDULES

A reminder: Holiday Schedules are due by Thursday December 7th. This information is needed to finalize Staff Holiday Schedules!

Holiday School Age Program

School-age children are invited to attend our centers during winter recess. Our School Age Program provides a safe, supervised environment with plenty of fun and educational activities for children ages 5-12. Please stop by the office to reserve your child's space.

Safety Alert!

Please do not offer food items to children (other than your own child). Your kindness is appreciated but many of our young friends are learning to manage food allergies.

Food Bank Collection

A special thank you to the many families who donated food for the needy. With so many families in our area, struggling; the food bank was most appreciative of our donations!

Holiday Hours

Please note that our centers will close at 4:00 pm on both Christmas Eve (Thursday, December 24th) and New Year's Eve (Thursday, December 31st). Enjoy your holiday celebrations! Happy Holidays!

In observance of Christmas, our center will be closed on Friday, December 25th. In observance of New Year's Day, our centers will be closed on Friday, January 1st. We will resume regular hours of operation on Monday, January 4th.

Spread the Holiday Cheer

Toddler Tech has adopted a family in need to purchase holiday gifts for. If you can help out please see Miss Judi or wish lists are available in the office. Your kindness is always appreciated.
