

Toddler Tech Child Care

August 2024

I can't believe our summer program will be coming to an end, and the start of the new school year is upon us!

Our Summer Campers have had an amazing summer; favorite highlights were field trips to Imagination Station, Fishing at Side Cut Park, and Quarry Ridge, Golf, just to name a few. A special thank you to Sandy Z and Bob C who have helped out with field trips, they would not be possible without your help!

A reminder, in order to receive a vacation credit during a week that your child is absent ALL WEEK- you must complete a vacation request form and submit it two weeks prior to the start of your requested absence. Please make sure you receive digital communication (ProCare or Remind message) from the office confirming your vacation was approved. Our end of the Summer Program will include a Hawaiian Luau with a special treat from KONA Ice for our preschool and Summer Camp Students.

A reminder that all preschool and school age students must return School Age needs form in order to be placed on our B/A school class list or our Non School Days care list. It is needed to ensure space for your child after August 9th. IN addition, please complete the checklist outside the office, for days needing care as the districts all start on varied dates. Thank you!

REMINDERS

Please call or text (via REMIND) to let us know when your child will not attend on a scheduled day. We worry about the safety and whereabouts of our children when they are absent or do not arrive at their normal time.

Good bye and Good Luck

Our Pre-k teacher Miss Kathy will be retiring after 19 years at Toddler Tech. Although, she will be missed very much we are happy that she has this opportunity to spend time with her grandchildren. We also bid a sad farewell to Miss Payton, Miss Madelynn and Miss Lizzie who will be returning to College for the fall. We will miss all of you!

Happy Birthday
